November 2025

Message from Mayor Ray Martin

The Village Ward Council seats are up for election this year. I hope everyone who can will take the time to vote for your Council representative on November 4th. No matter what the outcome, I enjoy seeing the great support for candidates as I travel around our Village. It is important to share your opinions and give your elected officials the opinions they need from you to go along with the information they get from official sources. Together we are making this community a great place to work and live. Happy Thanksgiving!
