## Craft & Vendor Fair for Small Business Saturday

As you prepare for your holiday celebrations, be sure to attend our annual Craft & Vendor Fair on Saturday, Nov. 29 at the Community Center from 9:00 am – noon. We will have over 20 local vendors all in one location to meet many of your gift and decorating needs and wants! Free admission.

## Leaf Collection Continues

Leaf collection continues in the Village until Wednesday, November 26, 2025.

We ask that leaves be ready for collection as soon as possible, realizing that some leaves drop much sooner or later than others.

Hate raking leaves? You may prefer mulching the leaves on your lawn rather than raking them up to be collected. Leaf mulch returns nutrients to the soil and is a great option, if your leaf drop isn't too deep.

Please remember to rake leaves to be collected to the curb or street edge, not into the street or over storm inlets. Piles should be no larger than 5 feet wide, and not near any parked cars. Still have questions? Call Ricco Ratliff at (614) 379-5247.

**FALL 2025  
LEAF COLLECTION**

THE VILLAGE OF  
*West Jefferson*

**Leaf Collection will be from  
October 13 – November 26, 2025**

Leaf collection crews will have a truck working on a daily basis. The speed of the collection program depends greatly on the weather. Rain and snow will slow down the collection.

Please try to get your leaves ready for collection as soon as possible.

The Village will try to update collection areas on the Village Facebook page, *Village of West Jefferson Ohio* on a daily basis, but weather, amount of leaves to be collected, and manpower may cause changes to the schedule.

Remember, mulching your leaves with a lawnmower returns nutrients to the soil, and is another option.

**Be a Leaf Hero!**

- Rake leaves to the curb or street edge, not into the street or over storm water inlets
- Piles should be no larger than 5 feet wide
- Parked cars must be at least 20 feet away from the pile, or the leaves will not be removed. If on street parking is hindering your leaf collection, call **Ricco Ratliff at (614) 379-5247** for assistance.
- Please remove sticks, branches and grass clippings from leaf piles.
