## Police and Finance Committee

### Reference: 2023 Police Cruiser Purchases

### 2023 Ford Explorers

Samantha Cahill,

In the coming month of May to June of 2023 the Police Department will be purchasing two cruisers to replace two with over 100,000 miles. The total funds expected to purchase and install necessary equipment will be \$120,578.34. Soon, we will have 13 officers sharing five cruisers. With the recent growth with our new Officers, the patrol schedule is transitioning to three officers per shift, six days a week, and two officers the remaining days. Mayor Martin has a long set goal of assuring all in-service Police cruisers are under 100,000 miles.

Below is an itemization of the quotes:

Lebanon Ford 2023 Ford Explorer (2) \$84,116.00

PARR Public Safety Equipment \$36,462.34. (Equipment and labor installation)

Total: \$120,578.34

Currently, there is a manufacturer Ford build order for May with an expected delivery date in June of 2023. I verified with Finance Director Becky Arnott that there are adequate funds to purchase.

Below is the current mileage list for each **in service** cruisers to date on March 24, 2023. The cruiser mileage shown in red indicates the cruisers to be replaced.

2022 Ford Explorer, S1	Mileage: 31,924
2021 Ford Explorer Car1	Mileage: 45,394
2020 Ford Explorer Car2	Mileage: <b>122,071</b>
2021 Ford Explorer Car3	Mileage: 41,177
2020 Ford Explorer Car 4	Mileage: <b>104,693</b>

The two cruisers that are **out of service** are the following:

R1 2016 Ford Explorer at 143,959 miles. (Major roof leak issues, and will be traded or sold to Ford dealer.)

Our Core Values: Respect ~ Integrity ~ Excellence ~ Teamwork

---

K9 2015 Ford Explorer with 30,666 miles, is expected to be placed back in service once the program has been re-implemented. Currently this vehicle cannot be utilized as a normal Police patrol due to it being equipped with K9 specific equipment.

This cruiser purchase will assure that the high mileage cruisers are removed from in service activity and replaced with dependable equipment. With the replacement of these two vehicles, we do not foresee the need for another cruiser purchase in the following years budget.

Respectfully,

*Detective Brandon Smith*

Acting Chief of Police
